PROFESSIONAL SUMMARY

Data Analyst and Flutter Mobile Developer with experience building dashboards, analyzing business data, and developing mobile applications. Skilled in SQL, Power BI, Excel, Flutter, and Firebase, with a strong ability to turn business requirements into scalable digital solutions. Experienced in data visualization, reporting automation, API integration, and mobile UI implementation.

WORK EXPERIENCE

Mobile Developer, *Aante Group* 2025 – Present
Lagos, Remote

- Developed cross-platform Flutter mobile applications with responsive UI implementation.
- Integrated REST APIs and Firebase services for authentication and real-time data handling.
- Built reusable widget components and optimized application performance.
- Collaborated on fintech-related mobile solutions and transaction workflows.
- Implemented state management solutions using Riverpod/Provider.
- Worked on dashboard, wallet, and transaction-based mobile interfaces.

Data Analyst, *Omniretail Technology Limited* 2024 – 2025
Lagos, On-Site

- Streamlined reporting workflows by automating Excel and Power BI reports, cutting manual processing time by over 40% and ensuring consistent monthly performance updates.
- Monitored supply chain and store-level data to identify stock movement patterns and optimize product availability across retail outlets.
- Analyzed customer purchase behavior using SQL queries to segment target groups, highlight retention drivers, and support marketing strategy.
- Created Consolidated revenue and expense data into an executive Power BI dashboard, improving visibility into profit margins and regional performance.
- Collaborated with sales, finance, and logistics teams to translate raw data into clear business insights, enabling faster decision-making and improved alignment across departments.

Data Analyst, *Hephzibah Experiential Limited* 2023 – 2024
Lagos, Remote

- Cleaned and transformed large datasets using Power Query, advanced Excel, and SQL, ensuring data quality and accuracy
- Created interactive sales and market performance reports to guide marketing and operational decisions.
- Delivered actionable insights that improved campaign targeting and boosted operational efficiency.

STEM INSTRUCTOR, *Ignite Stem Lab* 2021 – 2023
Lagos, On-Site

- Taught STEM subjects to secondary school students, promoting interest in science and technology.
- Used Excel to collect and analyze students' performance data, improving lesson planning and results tracking.
- Designed simple, hands-on experiments and activities to make learning engaging and practical.

- Supported school programs and learning initiatives to improve STEM participation among students.

EDUCATION

Bachelor of Science in Biochemistry, *Oduduwa University, Nigeria* 2015 – 2021
Nigeria
